

## Farmers Fertilizer **5-0-0-MGB** Custom Fertilizer Blend

### 5-0-0-MGB Foliar Nutritional Information

**5-0-0-MGB** contains natural growth promoting hormones such as Auxins Cytokynins and Gibberellins. These natural hormones aid in cell division, cell elongation, fruit growth and plant health.

**5-0-0-MGB** also contains bio-sugar stimulants; simple sugars (monosaccharides) important carbohydrates in biology. Cells utilize these sugars as a source of energy and a metabolic intermediate. Glucose is one of the main products of photosynthesis and starts cellular respiration.

The Amino Acids contained in **5-0-0-MGB** are powerful chelating and synergy producing natural compounds.
